OLD PATRIARCHS AND NEW PATRIOTS

Mondays 7:00 pm - 8:30 pm | Fellowship Hall | Sheila Ninowski & Alisa Stephenson

God commanded his chosen people to teach their children Israel's religious traditions along with its history. Thomas Jefferson said "History, by apprising them of the past, will help them to judge the future". This class will teach two of the most critical pieces in an American Christian's life: Their Jewish roots, and their American Christian Heritage, both of which play a huge role in today's spiritual and political events, and both of which we know too little of. History is truly "His-Story". As Daniel Webster stated... "History is God's providence in human affairs". Join us as we learn about God's providence throughout Israel and America's past, and hopefully we as Christians can play a positive role in their future. *Free class, open to everyone, no childcare*
